**RE:** Procedure to Address Conceptual Issues Around Non-Allowable Expenses (See  
Page Number 4 of Order No. 2019-341)  
**Docket No: 2019-232-A**

Dear Mr. Minges:

On September 27, 2019 you issued a hearing Officer directive, Order No. 2019-114-H, in which you instructed the parties to this docket to file any responsive comments with the Commission by close of business on October 30, 2019. On October 18, 2019 ORS, with the support of other parties to this docket, requested an extension of the time to file comments to December 13, 2019.

In November, ORS, Duke Energy and Dominion South Carolina met to discuss the parties' positions and potential areas of agreement. In an effort to reach a final resolution on some points, ORS requests that the due date for Responsive Comments be extended until January 17, 2020. ORS believes there would be substantial benefit in allowing all parties additional time to potentially resolve certain key issues in dispute. Both Duke Energy Carolinas and Progress, along with Dominion support this request.
